Mix Tape Weekly CHALLENGE :

- Respond creatively to the needs around you. Ideas: carry fuel vouchers or meal gift cards to hand out to those in need, offer free babysitting so young couples can connect and strengthen their marriage, set aside a special part of your budget in anticipation of God unexpectedly leading you into an opportunity.
- Consider focusing on one with greater needs than your own in your prayers, giving, and relationships. The idea here is to develop a sense of understanding for others that are completely different from you.
- Find ministries dedicated to a foreign country's needs. Invest resources and build relationships. Make that country a second home in your heart. Pray intentionally for God's work there. You'll be amazed by what God will do in and through you.
